Lipica, zibelka lipicanca

Misel na ohranitev več stoletnih vrednot naj vas vodi vzdolž bele lesene ograje, ki krasi poti posestva. Pripeljala vas bo v zibelko osupljivih lepot – lipicancev, srca ukročene kraške krajine, duše bogate dediščine. Dotaknite se del zgodovine in postanite del prihodnosti nekdanjega cesarskega posestva.

Kobilarna Lipica je eden najlepših kulturno-zgodovinskih spomenikov Slovenije, ki nudi dom skoraj 400 lipicancem. Z več kot 400-letno tradicijo je najstarejša kobilarna z neprekinjeno vzrejo konj na svetu. Ustanovljena leta 1580 z enim samim namenom – vzrejo konj, predstavlja še danes edinstveno okolje, kjer so prostorska ureditev, stavbno jedro in kulturna krajina že od nekdaj podrejeni izvorni dejavnosti vrhunske reje.

Lipica je izvorna kobilarna ene najstarejših kulturnih pasem konj – lipicanca. Njegova lepota, moč in pogum izzaravajo stoletja življenja v kamnitem, razgibanem kraškem okolju, bojevanja z burjo in pomanjkanjem tekoče vode, načrtne vzreje in selekcije ter močne povezanosti z okoljem. Lipica je lokacija, ki zagotavlja optimalne pogoje za vrhunsko rejo lipicanca. Razvila je tudi svojo lastno klasično šolo jahanja z osupljivimi elementi v zraku in na tleh, s katero se uspešno predstavlja širom po svetu.

Maja leta 2011 je svoja vrata v Lipici odprl tudi Lipikum – muzej lipicanca.

Lipica, the Cradle of the Lipizzaner

Let the thought of preserving the values of several hundred years lead you along a white wooden fence decorating the routes of the estate. It will lead you to a cradle of astonishing beauty – Lipizzaner horses, the heart of the tamed Karst landscape and the soul of a rich heritage. Touch a part of history and become a part of the future of the former imperial estate.

The Lipica Stud Farm, one of the most beautiful cultural-historical monuments in Slovenia, is home to almost 400 Lipizzaner horses. With a tradition of over 400 years, it is the oldest stud farm in the world breeding horses uninterrupted since its establishment. Established in 1580 with only one purpose – horse breeding, today it still represents a unique environment where the spatial arrangement, buildings and cultural landscape remain loyal to the original activity – top-notch horse breeding.

It is the original stud farm of one of the oldest cultural horse breeds – the Lipizzaner. Its beauty, strength and courage reflect centuries of habitation in the stony, rugged Karst environment, battle with the Bora wind and lack of running water, planned breeding and selection and strong connection with the environment. Lipica is a location that ensures optimum conditions for the top breeding of Lipizzaner horses. It has developed its own Classical Riding School with breath-taking elements in the air and on the ground performing all over the world.

The Lipikum Museum of the Lipizzaner in Lipica opened its doors in May 2011.

Dobrodošli v Lipici!

V Kobilarni Lipica, eni najstarejših kobilarn na svetu, že od leta 1580 neprekinjeno vzrejamo isto pasmo konj – svetovno znanega lipicanca. Kobilarna Lipica je izvorna kobilarna lipicanske pasme konj, dom več kot 350 lipicancev in eden najlepših kulturno-zgodovinskih spomenikov Republike Slovenije. Ob izjemni konjerejski tradiciji pa se lahko pohvalimo tudi z bogato tradicijo organizacije domačih in mednarodnih konjeniških tekmovanj, ki jo v zadnjih letih še dodatno razvijamo.

Lipica, zelena oaza Krasa, vedno znova navdušuje obiskovalce in ljubitelje konj. Ne le s svojo zeleno prostranstvo, lepoto neokrnjene narave, bogato kulturno in naravno dediščino ter izjemno zgodovino, ki se je vedno pisala v soglasju s konjem, ampak tudi s tekmovalno infrastrukturo in nastanitvenimi možnostmi tako rekoč na samem prizorišču. Tekmovalcem z gostoljubnostjo in profesionalno obravnavo zagotavlja, da se lahko v polnosti posvetijo svojim tekmovalnim ciljem.

Zato v Kobilarni Lipica že od leta 1974 neprekinjeno gostimo mednarodna tekmovanja v dresurnem jahanju, disciplini, ki že več kot 40 let z lastno klasično šolo jahanja, v kateri s klasično umetnostjo dresurnega jahanja blestijo lipicanci, zaznamuje tudi konjeniško tradicijo Lipice. Vsem nastopajočim, ki smo jih prijazno sprejeli na tekmovalnih prireditvah v Lipici, so se leta 2008 pridružili tudi tekmovalci v vožnji vpreg, disciplini, ki smo ji v Lipici na široko odprli vrata, tudi z organizacijo svetovnega prvenstva v vožnji vpreg s poniji leta 2011.

Spoštovani tekmovalci, prepričan sem, da se boste v Kobilarni Lipica tudi vi dobro počutili! Želim vam uspešne tekmovalne nastope, ki naj jih spremlja tudi tekmovalna sreča.

dr. Boštjan Bizjak
v.d. direktorja Kobilarne Lipica

Welcome to Lipica!

At the Lipica Stud Farm, one of the world's oldest stud farms, we have been breeding the same horse breed uninterruptedly since 1580 – the world famous Lipizzaner. Lipica is the original stud farm of the Lipizzaner, home to more than 350 Lipizzaner horses and one of the most beautiful cultural-historical monuments in Slovenia. In addition to its exceptional horse breeding tradition, Lipica is also distinguished by a rich tradition of national and international equestrian events. In recent years we have been working to develop this tradition even further.

Lipica, a green oasis in the Karst region, is more than just a competition venue. Time and time again visitors and horse enthusiasts fall in love with Lipica's green expanses, beautiful unspoiled nature, rich cultural and natural heritage and fascinating history, which has been always written in harmony with the horses. Thanks to Lipica's on-the-spot accommodation and competition infrastructure, as well as the warm hospitality and professional approach, competition participants can focus entirely on their goals and leave all other cares behind.

This is why the Lipica Stud Farm has been hosting international dressage competitions since 1974. Dressage is particularly important to the Lipica equestrian tradition – the Classical Riding School of the Lipica Stud Farm was established more than 40 years ago to train Lipizzaners in the classical art of dressage. In 2008, we added a new discipline to the list of equestrian competitions in Lipica – driving – including World Cup Qualifiers and the FEI World Driving Championships, Combined Ponies in 2011.

Dear athletes, I am certain that you will feel at home in Lipica, too. I wish you a successful competition and plenty of luck.

dr. Boštjan Bizjak
acting General Manager of the Lipica Stud Farm

Predgovor

V veliko zadovoljstvo mi je, da vam lahko v imenu Mednarodne konjeniške zveze (FEI) izrečem dobrodošlico v Kobilarni Lipica na prvem srednjeevropskem prvenstvu t. i. kvalifikacije v tekmovanju za svetovni pokal v dresurnem jahanju FEI serije 2014/2015.

Kvalifikacijsko tekmovanje za svetovni pokal FEI poteka skupaj s številnimi drugimi kategorijami, vključno z mladinci, mladimi jahači, poni jahači in mladimi v kategoriji konj, kar zagotavlja manj izkušenim jahačem izjemno pestro izkušnjo, s pomočjo katere se lahko učijo od svojih vzornikov in hkrati odkrijejo svoj obetajoči talent.

Svetovni pokal v dresurnem jahanju FEI serije 2014/2015 vključuje štiri lige po vsem svetu s 25 kvalifikacijskimi tekmami, ki vodijo vse do finala svetovnega prvenstva Reem Acra FEI, ki bo potekalo v Las Vegasu v ZDA aprila 2015. Prepričana sem, da bo vzdušje napeto, saj športniki začenejo svojo pot v prizadevanjih za osvojitve vseh pomembnejših točk, da bi si zagotovili mesto v finalu proti najboljšim svetovnim konjeniškim partnerstvom.

Kobilarna Lipica ima dolgo in izjemno konjeniško zgodovino. Ob tej priložnosti se želim zahvaliti organizatorjem in njihovim partnerjem za njihovo vizijo in trdo delo, ki je potrebno za organizacijo takega dogodka, ter za to, da delujejo kot gonilna sila mednarodnega konjeniškega športa v regiji. Prav tako bi se rada zahvalila našim zvestim prostovoljcem in pokroviteljem kot tudi športnikom, navdušeni javnosti in medijskim predstavnikom, ki zagotavljajo našemu športu zaslužen prepoznavnost in promocijo.

Ne glede na to, v kakšnem številu se boste udeležili teh kvalifikacij svetovnega pokala FEI, vam vsem želim prijetno spremljanje dogodka, ki poteka v najboljšem duhu velikega konjeništv.

Njena kraljeva visokost, princesa Haya
FEI predsednik

Foreword

On behalf of the Fédération Equestre Internationale (FEI), it is my great pleasure to welcome you to Lipica for the first Central European League qualifier of the FEI World Cup™ Dressage series 2014/2015.

This FEI World Cup™ qualifier takes place in conjunction with a myriad of other categories including Juniors, Young Riders, Ponies and Young Horses and thereby providing a tremendous melting pot for the lesser experienced riders to learn from their idols and at the same time discover the up and coming talent.

The FEI World Cup™ Dressage series 2014/2015 includes four leagues around the world with 25 qualifiers leading to the Reem Acra FEI World Cup™ Final in Las Vegas, USA in April 2015. I am sure that the atmosphere is going to be electric as the athletes begin their journey in the bid to earn the all important points to secure a place in the Final against the world's best equestrian partnerships.

The Lipica Stud Farm has a long and illustrious equestrian history and I want to thank the organisers and their partners for their vision and efforts at enabling this event and acting as a motor for international equestrian sport in the region. I would also like to thank the loyal volunteer body and sponsors, as well as the athletes, the enthusiastic public and the media representatives who ensure that our sport is given the visibility and promotion it deserves.

In whatever capacity you are attending this FEI World Cup™ qualifier I wish you an enjoyable event, conducted in the best spirit of great horsemanship.

HRH Princess Haya
FEI President

V Konjeniški zvezi Slovenije smo še posebej veseli, da v Lipici niso pozabili na razvoj teh prelepih konjeniških športov.

Vsem želim, da bi se imeli v rojstnem kraju lipicanca lepo, ter uživali v spremljanju povezanosti med najboljšimi jahači in konji, ki jih bomo imeli priložnost v videti Lipici.

Kombinirana poraba goriva: 4,1 - 8,3 l/100 km. Emisije CO₂: 109 - 194 g/km. Emisijska stopnja: Euro5 ali Euro6 (odvisno od motorja). Emisije NOx: 0,0035 - 0,1681 g/km. Ogljikov dioksid (CO₂) je najpomembnejši toplogredni plin, ki povzroča globalno segrevanje. Emisije onesnaževal zunanega zraka iz prometa pomembno prispevajo k poslabšanju kakovosti zunanjega zraka. Prispevajo zlasti k čezmerno povišanim koncentracijam prizemnega ozona, delcev PM₁₀ in PM_{2,5} ter dušikovih oksidov.
